STATE ROUTE 198 LANE CLOSURES NEAR LEMOORE NAVAL AIR STATION

The California Department of Transportation (Caltrans) in cooperation with Security Paving Company announces scheduled lane closures as part of a pavement rehabilitation project for State Route 198 between the Fresno/Kings county line and the South Rossi Overhead (21st Avenue) near the Lemoore Naval Air Station in Lemoore within Kings County.

Lane closures scheduled next week will be as follows:

Beginning on Monday, October 5th through Friday, October 9th, 2015 from 3:00 a.m. to 6:00 p.m. each day, both eastbound and westbound State Route 198 between Avenue 25 (Lemoore NAS Main Gate) and the South Rossi Overhead (21st Avenue) will be reduced to one lane in each direction with alternating lane closures with the possibility of one-way traffic control if needed by the contractor. Commuters are reminded to obey flagging personnel and pay close attention to road construction vehicles and personnel.

Access to the Naval Air Station Main Gate will remain open for visitors and personnel.

As part of these closures, ramps at Avenal Cut-off Road may be closed at various times during work hours. Commuters may experience delays and are encouraged to take alternate routes whenever possible.

Caltrans would like to thank the residents, businesses and commuters for their patience during this improvement project. The public is asked to drive with extra care while traveling through the construction area and please

BE WORK ZONE ALERT
